BAIN MARIE HOT CUPBOARD

SSS-BMHC

The Sharpline range of Bain Marie Hot Cupboards is designed to hold hot food at the optimum temperature whilst it keeps plates hot.

Seven standard models are available and special sizes can be custom built to your specifications.

Some of the features and specifications:

Separate thermostat controls for both the Bain Marie and Hot Cupboard.

Available in manual fill and drain or auto fill and drain, which can be connected directly to plumbing services.

All units will take up to 150 mm deep food pots.

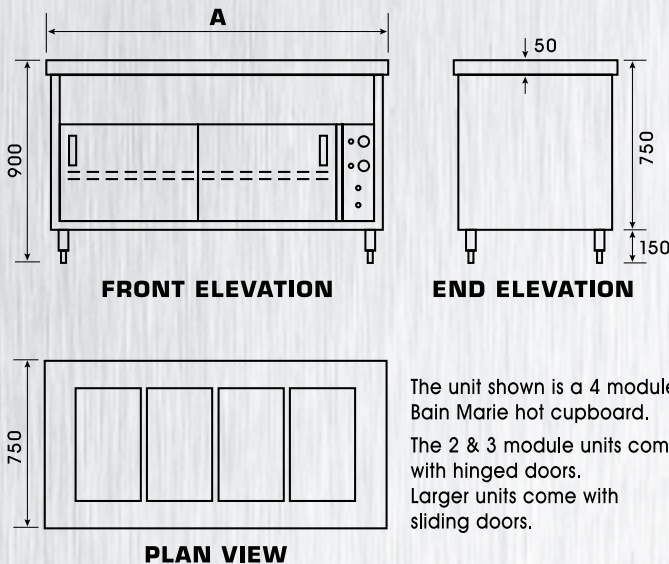

Heavy-duty rust proofed steel frame construction.

All units are double skin insulated and the doors are top-hung on roller bearings. The doors are removable for cleaning.

Panelled internally and externally with 18-10 stainless steel.

Gastronorm 65 mm deep food pots are supplied with each model.
