COMMERCIAL GLASS WASHER

SSS-30/30

The Sharpline SSS-30/30 Commercial Glass Washer is a fully automatic machine with the ability to wash 30 x 200 ml glasses every 30 seconds.

Features of the SSS-30/30 include:

Wash Cycle: hot wash with a hot rinse.

An additional cold rinse can be selected after the hot rinse at the flick of a switch.

A large door opening enables the machine to wash tall glasses.

Hot water that is internally boosted by a 3300 watt element and thermostatically controlled to 82°C.

Fully automatic detergent dispenser integrated in wash cycle.

Basket size is 445 mm x 365 mm and will hold 30 x 200 ml glasses or 24 x 285 ml glasses.

The SSS-30/30 is suitable for under counter or freestanding installation.

High performance pump ensures constant water pressure.

Electrical requirement:
Provide 15 amp single phase outlet.
